Summary

Software Developer with practical experience in application development, software maintenance, debugging, and testing. Seeking a Software Developer role to solve real-world problems, develop reliable software solutions, and contribute to project success while continuously strengthening technical skills and professional growth.

Work Experience

Software Developer — Cygnus Softwares, Coimbatore April 2023 – July 2024

Developed and enhanced web and Windows Forms applications using C-sharp, ASP.NET, SQL, and Vertica Database. Implemented front-end UI changes, back-end enhancements, and database updates based on client requirements. Performed manual unit and integration testing, debugging, and production support. Contributed to the SDLC, resolved client-reported issues, and documented technical procedures.

Projects

Link to Demo

1. Web and Windows Forms Application Development
Developed and enhanced web and Windows Forms applications using C, ASP.NET Framework, SQL, and Vertica Database, implementing UI, backend, and database improvements.Performed manual testing, debugging, and issue resolution to improve application functionality, reliability, and quality.

2. Personal Portfolio Website
Designed and developed a personal portfolio website using HTML and CSS to showcase technical skills, professional experience, and projects. Published the website using GitHub Pages.

3. Tic Tac Toe Game
Developed a two-player game using HTML, CSS, and JavaScript with a responsive 3×3 grid.Used DOM manipulation and event listeners to manage player turns, validate moves, detect winning combinations, and identify draws.

4. To-Do List Application
Built a responsive task management app using HTML, CSS, and JavaScript.Implemented task creation, editing, completion, and deletion using DOM manipulation, with LocalStorage to preserve tasks across page refreshes.

Skills

TECHNICAL SKILLS - HTML,CSS,JavaScript,React.js,Express.js,SQL,MongoDB,(OOP),CRUD,DOM-Manipulation,DataStructures and Algorithms,Front-End and Back-End Development,API-Integration,Manual-Unit Testing,Functional Testing,Integration Testing,Troubleshooting,Visual Studio,Git,GitHub

Education

2025 - present - UpSkilling (Professional Development——Full Stack Development)
2019 - 2023 - B.E in ECE at **KIT-College** (GPA: 8.0/10)
2019 - Class 12th State Board (PRCT: 6.5/10)
2017 - Class 10th State Board (PRCT: 8.0/10)
